

## TSS18004EU | Targus 11.6 inch / 29.5cm Slim Netbook Case

The Targus 11.6" Slim Netbook Case is designed to protect netbooks. Constructed of polyester material, the slipcase features a large zippered front accessory compartment, ideal to store a power adapter, hard drive or other accessory items.

The padded handles provide convenience and comfort during travel. While the contrast lining brightens the interior making it easier to locate darker accessory items inside the bag.

This slipcase provides a simple yet functional way to transport your netbook.

Compatibility – Designed to fit up to 11.6" netbooks

Functionality – Cushioned netbook compartment constructed from closed cell foam for best protection

Features – Adjustable, detachable shoulder strap with body colour cushioned pad for carrying comfort.

Contrast lining to help easily locate smaller items. Quick access zippered front pocket

Material – Constructed of durable, water-repellant polyester fabric
